
CAT5E Patch Cord, F/UTP, LSZH, Lifetime Warranty, grey

**DESCRIPTION**

Wirewin® patch cables of category 5e correspond to the values according to ISO11801 and EN50173. This allows a data transfer of 1 GBit / s. Category 5e is specified with 100MHz. The jacket of these cables is made of halogen-free material and therefore is flame-resistant. White category 5e RJ45 connector with gold-plated contacts wrapped by a special Wirewin® boot protector to protect the latch while allowing easy pushing of the latch. On the underside of the spout is a length imprint. All Wirewin® KAT5e patch cables are equipped with a lifetime warranty!
