

## CAT6A RJ45 field-attachable plug, toolless

### DESCRIPTION

From now on, your work will be simplified: with the new field terminable RJ45 plug Cat.6A

The Cat. 6A RJ45 field terminable plug enables time-saving and reliable on-site assembly, for all networks from voice to 10 Gigabit Ethernet. In just 60 seconds it can be mounted on all common cable types - without special tools. Whether in an office or in data centers, industry or in home networks - the Cat. 6A field terminable plug provides unprecedented flexibility and saves time and money during installation, repair and maintenance.

#### Benefits:

- Can be assembled in just 60 seconds without any special tools
- Optimized for field applications, even under difficult conditions
- Highest reliability
- Reliable transmission - even in the case of external disturbances
- Ideal for repair, special lengths and expansion of networks

### FEATURES

- Category 6A, ISO/IEC 11801:2010
- Connector compliant with IEC 60603-7-51
- UL listed (UL1863)
- Lifespan: 750 plug cycles
- Material of Contact-pin: gilded phosphor-bronze alloy
- Material of Housing: zinc-alloy fully shielded
- Copper solid wire: 22-23 AWG
- Cable outer diameter: 6,0-8,0 mm
- Re-connectability:
- Temperature range: -40C &ndash; 70C
- High Power over Ethernet plus (PoE+) IEEE 802.3at

**PRODUCT FEATURES**

Connection type	Insulation displacement connector
Model	Plug
AWG-range	22 - 23
Pining	TIA/EIA 568 A/B
Application Field	Field-Attache
Colour	Other
Suitable for flat cable	No
Suitable for litz wire conductor	No
Suitable for solid conductors	Yes
Suitable for round cable	Yes
Case Color	Metalic
Screened	Yes
Type of Cable	AWG22 - 23
Category	CAT.6A (IEC)
Material	Metal, Plastic
Shield	Shielded
Special tool necessary	No
Type of connector	RJ45 8(8)
Transparent	No
Certificate	UL 1863 safety listed, ANSI/TIA-568-C.2, ISO/IEC 11801
EAN Code	9120042360038
Weight	0.03 kg
<b>PRODUCT NUMBER</b>	<b>WKS FK RJ45 KAT6A</b>
