

## CAT6A 10 Gigabit Ethernet Keystone module, 90°

### FEATURES

- Wirewin CAT6A Keystone jack
- 90° cableentry
- Cableentry possible from left or right
- Anwendungen: Cabling solutions with less space
- Supports up to 100W DC power with 4PPoE according to IEC60512-99-002

## CAT6A 10 Gigabit Ethernet Keystone module, 90°

**PRODUCT FEATURES**

|                                        |                       |
|----------------------------------------|-----------------------|
| 4PPoE Support                          | Yes                   |
